Los Angeles Police rank and file support GREIG SMITH for city council to make our city safe.

Greig Smith's plan to fight crime:

- More police officers through prioritized funding and increased recruitment
- Force city hall to give the Valley its fair share of police and faster response times by changing deployment formulas
- Creation of the COPS-Plus program – Citizens Organized to Patrol our Streets, which will enable patrol officers to do police work, not paper work.
- Establish more after school programs to keep kids out of gangs and away from drugs
- Attract more federal dollars to our community to fight crime

Having earned the distinction of LAPD Reserve Officer of the Year, Greig Smith knows what it takes to keep gangs, drugs and violence out of our neighborhoods.
